The Nigerian Association of Orthopaedic Manual Therapists (NAOMT) - a special interest group of the Nigeria Society of Physiotherapy invites you to her 4th Annual Scientific Workshop which will hold on July 3rd and 4th 2014 at UUTH, Uyo, Akwa Ibom State.

The Association which was inaugurated in July 2007 is involved in training of specialist Physiotherapists in Orthopaedic and Manual Therapy. Three successful workshops had been organized on the management of Ankle, Knee and Hip joints respectively.

This edition of the Orthopaedic & Manual Therapy Workshop with the theme "Management of Sacro iliac Joint Dysfunctions" will elucidate current trends in the diagnosis and holistic management of SIJ Pathology with emphasis on Manual Therapy. Well seasoned and experienced academics and clinicians from around the nation will facilitate this workshop. It is hoped that your participation in the 2 days workshop will be professionally fulfilling. There will be forum of intellectual stimulation and sharing in the pursuit of clinical standards in Orthopaedic and Manual Therapy.
